## Summary

Adaptable and growth-oriented aspiring game developer with a background in Japanese linguistics and IT. Experienced in Java, C#, HTML, CSS, and JavaScript with a strong passion for game development and software engineering.

As an enthusiastic International Mentor and Language Café Leader, alongside my experience as a Lifeguard, Teaching Assistant, and Educational Support worker, I am eager to contribute my diverse skill set to your team. My passion for fostering inclusive learning environments and promoting cultural exchange drives my commitment to empowering individuals. I am excited about the opportunity to collaborate with like-minded professionals and make a positive impact in the community.
